DISTILLERIA

## Grappa di Barolo "Twist"

**VARIETY:** Nebbiolo from Barolo.

**ALCOHOL:** 42% vol.

**SIZE:** 37.5cl.

**DESCRIPTION:** aged for 4 years in French oak barriques (60 gallons), previously used to age the Sicilian Marsala wine. This grappa has subtle tones of vanilla and cocoa. The color comes from the wood, since all spirits start clear. The barrique gives a new dimension that is clearly perceived on the palate. Some of the best Barolo producers supply the pomace for all the aged Barolo grappas of Marolo.

**PACKAGING:** the hand blown-glass bottle is sold individually in an elegant cardboard box.
